Arthritis/Joint Issues

(from the [Smith Veterinary Hospital website](#)) ‘Dr. Mike Dobesh, co-owner of Smith Veterinary Hospital, grew up on a small farm in eastern Nebraska. After high school, he worked on a large cattle ranch in north central Colorado. Thanks to the influence of a few special pets, Mike developed a true fondness for companion animals during veterinary school. He received his DVM from Colorado State University in 1990 and says that he could never imagine doing anything else!’

When he isn’t working, Mike enjoys spending time with his wife and his two daughters. He also enjoys home brewing, bee keeping, coffee roasting, hiking, taking his dogs swimming, running marathons, and cheering on the Denver Broncos!’
